

Department of Biological Sciences
College of Science
University of Santo Tomas

in cooperation with

The Biology Teachers Association of the Philippines, Inc.

and

Biology Teachers Association - UST Chapter

invite you to a seminar-workshop on

Investigatory Projects in

Molecular Biology

21-22 October 2010

3rd Floor, Main Building, College of Science
University of Santo Tomas
España, Manila

Programme of Activities

| | Lectures | Hands-on Trainings |
|---------------|--|---|
| Day 1: | DNA Structure & Function Recombinant DNA Technology: Researches & Applications | Constructing DNA Models Extraction of DNA from Biological Samples |
| Day 2: | Genes & Genetic Polymorphisms Molecular Biology in Systematics | Identification of Single Nucleotide Polymorphism (SNP) Web-based Identification of Organisms |

A minimal registration fee of P 2,500.00 will entitle a participant to a workshop kit, 2 lunches, 4 snacks and a certificate. Only 30 participants will be accepted.

For registration, please contact:

Prof. Alicia Ely J. Pagulayan or **Dr. Thomas Edison E. dela Cruz**
